McClure Bacon Fest Rules and Regulations

Please review all rules and regulations and return the second page with your payment.

*** HOURS: 9AM TO 5PM***

1. McClure Bacon Fest is a rain or shine event from 9am to 5pm. Please plan accordingly.
2. Bacon Fest staff will be onsite by 5:30am on the day of the event.
3. Food trucks and trailers MUST be on site by 6am on the day of the event. Once vendors have started setting up, it is almost impossible to maneuver a truck or trailer into your space. Food trucks and trailers are encouraged to be parked on Friday, the day before Bacon Fest. Email us to make arrangements. This is at your own risk, there is no overnight security provided.
4. Unload your vehicle and then move it to the designated vendor parking area before setting up your space. If you are blocking the road with your vehicle, you must be actively unloading it.
5. Vendors must park in the designated vendor parking area (about two blocks away). Please do not park in the side streets of the Borough. If you have a mobility issue and require to be parked close to your space, please let us know so we may try to accommodate.
6. All vehicles must be off the street by 8am and no vehicles are permitted back on the street until after 5:30pm. You MUST be packed and ready to load before you retrieve your vehicle.
7. All vendors must remain open until the end of the event. Any vendor packing or leaving before 5pm may not be invited to return.
8. The McClure Revitalization Committee does not provide or rent tables, chairs, or canopies.
9. Canopies must be securely weighted down with at least 30 lbs per leg. (Sand bags, cinder blocks, etc.)
10. All tables must have a drape/covering/tablecloth. Floor length coverings are preferred.
11. Food vendors are encouraged to embrace the theme of the event: BACON. It is not enough to just post your existing menu and allow people to add bacon. You must FEATURE at least one signature item on your menu that includes bacon. Bacon items are always the top sellers. Buyers expect food vendors at Bacon Fest to still have bacon available until closing time, so plan accordingly.
12. Food vendors are expected to follow PA Dept of Health and PA Dept of Agriculture regulations.
13. All items for sale must be new or hand crafted. No yard sale items are permitted.
14. Vendor spots are 10'x10' and you may purchase multiple spots. Stay within your designated space. Do not set up displays in front of or behind your space.
15. Electricity **must** be requested in advance. Limited electricity is available and cannot be provided without prior approval. Electric fee is \$10 per vendor.
16. Use of McClure Bacon Fest name and logo on your products for sale is strictly prohibited.
17. Direct sales vendors are welcome and we usually limit one vendor per product line.
18. Email us with any questions! events@mcclurepa.org
